Nicaragua Resource Network (NRN)

Mission Statement & Core Values of NRN

Our Mission:

To fulfill Jesus' command to love God and to "love your neighbor as yourself" by giving of our time, talents and resources to address the spiritual, physical, medical and educational needs of impoverished children and families in Nicaragua.

Our Values:

1. We are a voluntary community of faith called by God to serve in Nicaragua in alignment with biblical principles.
2. Sacrificial servanthood, with an attitude of humility, is a guiding principle of all that we do.
3. We go to Nicaragua as learners, respecting their culture.
4. Our desire is to bring hope, through joyful service and compassion.
5. We have made a long-term commitment to walk alongside the churches, schools, and ministry leaders that we support in Nicaragua.
6. We will work together with churches, schools, and ministry leaders to mutually discern and fulfill God's will.
7. We will build and sustain relationships with churches, schools, and ministry leaders that allow for the sharing of resources with the poor of Nicaragua.
8. We believe in personal involvement between North American volunteers and their Nicaraguan brothers and sisters.
9. We are dedicated to supporting Nicaraguans in Nicaragua, sharing our resources with individuals, families, schools and churches in Nicaragua, rather than bringing Nicaraguans to the United States.
10. We are committed to responsible stewardship (100% of all donations/gifts to NRN go directly to Nicaragua) and a high standard of accountability in relationship to the ministries that we support in Nicaragua.
