Speaking the Word with Boldness

Acts 4:23-31

When Peter and John went up to the Temple to pray, they met a lame man at the gate called Beautiful. The man, who was about 40 years old, had been lame from his mother’s womb. Peter commanded the lame man to walk in the name of Jesus Christ the Nazarene. The lame man was healed.

A crowd gathered and Peter preached. Whereupon, Peter and John were arrested by the Temple guard and the Sadducees. The rulers and elders questioned Peter and John and warned them to speak no more in the name of Jesus. When they were released, they went “to their own companions” or “to their own people”. Today, we will consider what this encounter means for us.

1. The disciples prayed to God who is all-powerful. **We have the same privilege in prayer.**
2. Even the enemies of God were under His control. **No matter what the circumstances, we can be sure that God is in charge.**
3. The disciples prayed to speak the Word with confidence. **We can pray this prayer today.**
4. God filled the disciples with His Spirit. **He will fill us with the Spirit to be bold in our witness.**

Conclusion: When we pray, we can call upon God who is the Sovereign Lord. Because of this, we can pray in full confidence. Even the enemies of God are under His control. Many times they are persuaded to yield to God, but even when they are not, He is still Sovereign Lord. He will make all things work to benefit His kingdom and His servants. The disciples prayed to speak the word of God in confidence and power. God filled them with the Spirit in answer to their prayer, and they boldly proclaimed His Word.
